

# Women's Leadership Council

## Who

Professional women who want to ensure children in Greater Austin are ready for school, work and life.

## What

\$ **1.2K**

A gift of \$1,200 annually to support UWATX's efforts for Greater Austin.

## Young children are our future.

Let's make sure low-income children are set up for success so our community can thrive.

## Why

Move our community forward by advocating for our youngest and most vulnerable children.

Network with your peers and local business leaders from UWATX's 400+ company partners.

Create a meaningful return: every dollar invested in early childhood yields \$4 to \$7 back over a child's lifetime.

Give your time in the way that works for you with flexible volunteer opportunities.
