

Success By 6 Play To Learn

What is Play To Learn?

8

weeks of two-hour in-person sessions for parents and children

Parents who complete the in-person portion receive a tablet loaded with educational apps

52

weeks where UWATX pays for internet services IF parents go to **story time** at the library

There are 33 regularly-scheduled sessions of library story time in West Austin, and only 4 in low-income areas in East Austin.

Who did we help?

200
FAMILIES
SERVED

95%
primarily speak Spanish at home

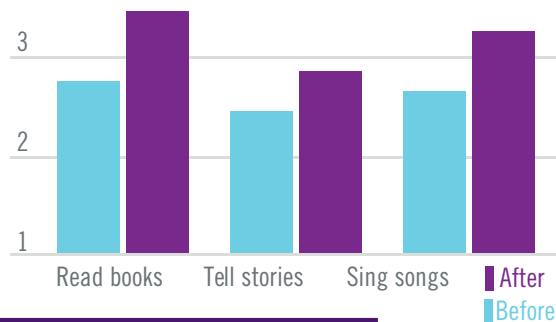

97%
Female

100%
low-income households

63%
did not graduate from high school

What happened?

Parents supported their children's development more

Parents were happier

All parents reported a decrease in depressive moods.

I learned how to be supporting towards my son and what words to use when I want to let him know he is doing a great job, which are very important.

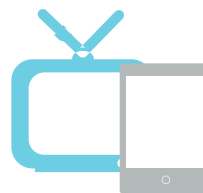

98% of parents said they now feel confident helping their child succeed in school.

Families used community resources more effectively

2X as likely to borrow books

3X as likely to take their child to story time

Families increasingly used educational media, including TV and apps.

Children learned social skills
