

# BE AN EMERGING LEADER

## WE ARE EMERGING LEADERS.

Emerging Leaders is comprised of tomorrow's leaders who have a passion for philanthropy, personal development and community. The Emerging Leaders network focuses on **professional development, volunteering and mentorship opportunities**. Through meaningful volunteer opportunities and networking events, members make connections with local leaders who believe that everyone deserves to enjoy the promise of Austin. Members support United Way ATX with a philanthropic gift of \$1,000 or more annually, which drives United Way's mission of fighting poverty in Austin.

## OUR SHARED VISION.

Tomorrow's leaders tackling today's challenges.

## WHY JOIN EMERGING LEADERS?

- + Professional development opportunities, tailored to the needs of our members.
- + Unique networking opportunities, like our annual Ruthless Good Scavenger Hunt.
- + Hands-on volunteering opportunities.
- + Innovative leadership trainings.
- + Events to engage top Austin thought leaders and United Way ATX board members.
- + Focused philanthropy. Through a collective investment in our Family Pathways work, members will know their dollars are being leveraged to help create a social services ecosystem that promotes economic mobility for today and generations to come.

## JOIN US.

Emerging Leaders membership is open to donors giving \$1,000 or more annually (\$83 per month) to United Way ATX.

Emerging Leaders provide valuable support to United Way ATX's Family Pathways work, which disrupts the cycle of intergenerational poverty for families. One part of Family Pathways promotes the 2-Generation (2-Gen) approach to social services, which serves parents and children simultaneously and leads to better financial outcomes for both generations.
