# MLK Jr. Day of Service

## Participate virtually

Celebrate the life of Dr. Martin Luther King Jr. from wherever you are. We invite you to watch Dr. King's famous "[I have a dream](#)" speech.

Reflect with your friends and family on how Dr. King's words resonate in your own life and community. Consider these prompts:

- What do you find powerful or moving in the speech?
- Do you have a favorite line or phrase?
- It has been over 50 years since this speech, what progress has our country made? What progress do we still need to make?
- What do you think Dr. King would think of the United States today?

## Celebrate with children

Speak with the children in your life about the life and legacy of Dr. King. Take them on a virtual tour of Dr. King's childhood home in Atlanta. The home is a part of a National Historic Park site, and the virtual feature is great for elementary aged children to learn more about Dr. King's life. [Check out his childhood home >](#)

Celebrating the life and legacy of Dr. Martin Luther King Jr. every year is critical to our commitment for service and advocacy. We join our community in the fight for racial equity and creating an Austin that works for everyone. Thank you for your continued support.
