

# WOMEN UNITED

## WE ARE WOMEN UNITED.

Women United is a diverse, vibrant donor network supporting United Way for Greater Austin. Members are committed to creating a powerful, female-driven philanthropic force to fight poverty in Greater Austin. We are bound together by a powerful sense of belonging – to each other and to our community.

We are part of a growing, global network of women leaders – 70,000 strong across more than 165 communities in six countries.

## OUR SHARED VISION.

Our vision is to create a thriving community for all. Currently, 1 in 10 households in the Austin area is considered low-income, and race and zip code are some of the biggest predictors of a person's life outcomes. Members are helping build a better Austin that works for *everyone* by investing in the building blocks of opportunity that every person and community needs to thrive - Education, health, and financial stability.
