Uniting the Community for Change

Since 1924, United Way has been a powerful force for good and a critical part of the fabric of Greater Austin. The needs in our region have changed over time, so we've adapted our support to stay ahead of emerging needs and help as many people as possible.

We believe that every person deserves the opportunity to reach their full potential.

We are committed to creating a strong Central Texas that serves everyone, built on racial justice and equity for all.

Our work – from leading community coalitions, to funding nonprofit partners, to running evidence-based programs – is aligned to achieve these goals.

Grow UNITED

All children enter Kindergarten happy, healthy, and prepared to succeed in school and beyond

Learn UNITED

Children are reading on grade level by the 4th grade, a critical time when children transition from "learning to read" to "reading to learn"

Connect UNITED

People in our community are connected to resources for food, health, housing, transportation, and more

Advance UNITED
