

Join United Way's mission to fight poverty!

Use code **100** to direct your gift to United Way.

In January 2022, United Way for Greater Austin and United Way of Williamson County joined forces and merged! This merger expands United Way's mission and impact with a regional approach, and helps us better and more efficiently serve a broader community across Greater Austin and Williamson County. **In short, it means more people right here in our community will get the help they need.**

United Way for Greater Austin exists to solve our region's biggest challenges. Since 1924, we have been a powerful force for good here in Central Texas. The needs in our region have changed over time, so we've adapted our support to stay ahead of emerging needs and help as many people as possible. What hasn't changed? **Our belief that every person deserves the opportunity to reach their full potential.**

Fighting poverty is complex, but United Way's goal is simple: to make a real difference for local children and families. We do this by focusing on the building blocks of opportunity that every person - and every community - needs to thrive: **education, health, and financial stability.**

Something special happens when we Live United.

Your gift to United Way helps build a stronger community, and sparks a movement bigger than anything we can do alone.

*Please note that agency codes occasionally change from year to year. The codes listed will be the only codes accepted between 7/1/22 – 6/30/23. A pledge with a code not listed will be redirected to United Way's Community Fund.
