

CORPORATE CUSTOM VOLUNTEERING: KIT BUILDS

For 100 years, United Way for Greater Austin has served our community. Together with supporters like you, we're building a community where every child is set up for success with high-quality care and education. A community where everyone is connected to essential resources they need, when they need them. **And now, in a time where community is more important than ever, we invite you to be a part of ours.**

United Way for Greater Austin is the premier coordinator of employee engagement and business philanthropy services in Central Texas, engaging thousands of community members in volunteerism annually and empowering people to make volunteering a regular part of their lives. We build stronger communities in ways that also build stronger businesses, including:

- ✔ Team-building through customized volunteer projects
- ✔ Increased employee morale and loyalty by providing community engagement opportunities
- ✔ Increased brand equity as a socially responsible business
- ✔ Increased visibility as you report your results to your clients and staff

United Way for Greater Austin will:

- Serve as the project leader, coordinating logistics and providing company volunteers with the necessary details of the project and information regarding the impact area they will be helping
- Provide full-service project management support and expertise for the project
- Lead an educational event for your employees to learn about the project and the impact it will have on our community

United Way for Greater Austin brings our community together to break economic barriers and build opportunity for all.
