A century of change, a legacy of impact

2024 marks an important milestone for us: 100 years serving the community.

It's a community that's been lovingly built and rebuilt by the hands of Greater Austin. It's been a respite, a village, a friend, and a catalyst for creating equal opportunity. One where every child is set up for success with high-quality early care and education. A community where everyone is connected to essential resources they need, when they need them.

This community has laid an unbreakable foundation of wisdom, strength, and potential. **And now, in a time where community is more important than ever, we'd like to invite you to be a part of ours.**
