A century of change,
a legacy of impact

2024 marks an important milestone for us: 100 years serving the community.

It's a community that's been lovingly built and rebuilt by the hands of Greater Austin. It's been a respite, a village, a friend, and a catalyst for creating equal opportunity. One where every child is set up for success with high-quality early care and education. A community where everyone is connected to essential resources they need, when they need them.

This community has laid an unbreakable foundation of wisdom, strength, and potential. **And now, in a time where community is more important than ever, we'd like to invite you to be a part of ours.**

Grow **UNITED**

All children enter Kindergarten happy, healthy, and prepared to succeed in school and beyond

Learn **UNITED**

Children are reading on grade level by the 4th grade, a critical time when children transition from "learning to read" to "reading to learn"

Connect **UNITED**

People in our community are connected to resources for food, health, housing, transportation, and more

Advance **UNITED**
