

DISASTER RESPONSE VOLUNTEER TRAINING

JULY 16 OR 25

Join us for one of two upcoming Disaster Response Volunteer Trainings, so you're ready to support our 2-1-1 helpline in the event of a disaster during peak hurricane season: August through October. During these two sessions, you'll be trained to answer calls, navigate local resources, and support fellow Texans in the event of a disaster.

Volunteers should have basic computer knowledge, be able to answer calls for two or more two-hour shifts, and have a desire to join us on our mission to break economic barriers and build opportunity for all. Sign up for one of the two trainings, and we will share the meeting information with you before your chosen session.

Questions? We're ready to help. Email volunteer@uwatx.org.
