United Way for Greater Austin brings our community together to break economic barriers and build opportunity for all.

This year marks an important milestone for us, 100 years of serving our community.

As we enter our next 100 years, we stand committed to a future where every child thrives with high-quality early care and education, and even neighbor has access to essential resources they need, when they need them.

Our community has built a strong foundation of wisdom, strength, and potential. Now, in a time when community is more important than ever, we invite you to be a part of ours.

Something special happens when we Live United.

Your gift to United Way helps build a stronger community, and sparks a movement bigger than anything we can do alone.

*Please note that agency codes occasionally change from year to year. The codes listed will be the only codes accepted between 7/1/24 – 6/30/25. A pledge with a code not listed will be redirected to United Way's Community Fund.
